

2009 Theme Design Contest

Do you have some creativity? Do you have some free time? Could you use some extra cash? If you answered "yes" to these questions, we have an opportunity for you!

We need a design to go along with our 2009 theme "Putting Faith Forward". Email your design(s) to themedesign@asphome.org by November 15, 2008.

We would prefer the finished design be done in Illustrator, if possible. If you have questions, contact Rachel Naumann at rachel.naumann@asphome.org. The designer of the artwork selected will receive up to \$500.

Guidelines:

- "Appalachia Service Project" should appear somewhere on the shirt.
- The design should be appealing to both youth volunteers and adult group leaders.
- Incorporate the spirit of the theme or focus on the home repair ministry in some symbolic or meaningful way.
- The 2009 theme is "Putting Faith Forward," which is from Hebrews 11:1 "Now faith is being sure of what we hope for and certain of what we do not see."
- Your design may or may not be centered on this theme. If you choose to incorporate the theme, "2009" should be included somewhere on the shirt.
- The design may have a maximum of 5 colors. Please also submit a suggestion for a t-shirt color that will complement your design.
- The design should be reproducible for silk screening:
 - Use PANTONE spot colors when choosing color scheme. This will allow exact color matching from your design to the printer.
 - Try to avoid using gradients.
 - Keep in mind that fine lines and light text will not reproduce well on silk screening.
