

Directions to Appalachia Service Project, Inc. Organizational Headquarters

4523 Bristol Highway • Johnson City, TN 37601 • (423) 854-8800

From I-26 in Johnson City:

- Exit the interstate at Exit 19, State of Franklin Road/Highway 381
- Turn north, or toward Bristol, and proceed on Highway 381 for just over 1 mile
- When the highway forks, merge left onto US 11E North, which is also known as the Bristol Highway
- Proceed approximately 3 miles
- After you pass A&L RV sales on the left, prepare to make a U-turn in front of the Citgo gas station
- After making the U-turn, turn right into the first driveway past the Citgo (between the Citgo and the car wash)
- ASP's facility is up the hill on the right, and the office building is the single-story blue metal building at the top of the hill

From the Carnegie Hotel:

- Exit from the Carnegie Hotel parking lot by turning right onto State of Franklin Road
- Follow State of Franklin for several miles, continuing under Interstate 26
- Just a couple of blocks past the interstate exchange, State of Franklin becomes Highway 381
- Follow 381 for about a mile until the road forks
- When the highway forks, merge left onto US 11E North, which is also known as the Bristol Highway
- Proceed approximately 3 miles
- After you pass A&L RV sales on the left, prepare to make a U-turn in front of the Citgo gas station
- After making the U-turn, turn right into the first driveway past the Citgo (between the Citgo and the car wash)
- ASP's facility is up the hill on the right, and the office building is the single-story blue metal building at the top of the hill

From Bristol TN/VA:

- From Bristol, travel south on US 11E (Bristol Highway)
- ASP is located approximately 10 miles south of the Bristol Motor Speedway (a landmark that is hard to miss)
- After you pass Crowder RV dealership on the right, the next business is a Citgo gas station
- Turn right into the first driveway past the Citgo (between the Citgo and the car wash)
- ASP's facility is up the hill on the right, and the office building is the single-story blue metal building at the top of the hill
