**From Hazard, Kentucky**

Follow Highway 15 North out of Hazard (toward Jackson) for about 7 miles. Turn left at Route 28 (next to Combs Liquor Store) and go 6 miles. As you're approaching Chavies, you will round a sharp curve to the right, and cross a bridge & railroad tracks. Welcome to Chavies! Turn right immediately after crossing the railroad tracks. Follow this road as it forks to the left and up the hill. The center is a blue cinder block building at the top of the hill.
