

Staff Applicant Weekend (SAW) Ride Boards

Our Staff Applicant Weekend (SAW) Ride Boards are hosted on Facebook this year. Facebook is available for anyone to join, even if you don't already have a Facebook account. *(To register for a new account, please go to www.facebook.com and follow the registration guidelines.)*

Each of our SAWs has a different group. You will need to search for and then request to join. Once "Tex Evans", the group creator, has accepted your request, you will be free to post on the discussion board if you are looking for a ride or can offer a ride. The groups are:

- 2008 ASP TN SAW
- 2008 ASP WI SAW
- 2008 ASP PA SAW
- 2008 ASP NC SAW
- 2008 ASP IN SAW

To search for the group you wish to join, type in the name in the main search box, on the top left corner of your Facebook profile. Click on the group when it appears, and then click on the "request to join" button on the group page.
