

BRING THIS FORM WITH YOU TO THE CENTER

WEEKLY FAMILY AND VOLUNTEER WORK CREW ROSTER

This form will help keep track of where your volunteers are working in the event of an emergency situation. Please complete the entire form leaving blank the family information. This will be completed during your time with ASP.

Make 2 copies of the form = 3 total. Do this even if your work crews are not finalized. Someone can always write in the changes – copy machines may be difficult to find/use, etc. once you get to Appalachia. Please give all three copies to the summer staff upon arrival at your center – along with your other important forms.
