

# Self-Screening ASP Participation Decision Tool

**THANK YOU** for your continued enthusiasm and support of the mission of ASP! ASP takes your safety very seriously and strives to minimize the risk of infection of COVID-19 to volunteers, families, staff and community members. As you prayerfully consider participation with ASP, please utilize this form to determine your readiness for travel and gatherings. We appreciate your honest assessment and prudent decision making for the protection of yourself and others.

Please monitor exposure for **14 days** and perform daily temperature checks for **7 days** PRIOR to ASP arrival date.

Full Name: \_\_\_\_\_

## Contact and Symptom Tracking...

**14  
DAYS**

In the past 14 days, have you been (check any that apply):

- ☐ Diagnosed with COVID-19?
- ☐ In contact with a confirmed or suspected case of COVID-19?
- ☐ In contact with someone who has been exposed to a confirmed case of COVID-19?
- ☐ Living in the same household with someone currently on a watch list for COVID-19 exposure?
- ☐ In close proximity (<6ft) of non-household members without wearing a mask?

If you checked **any** of the boxes above, you **MUST** delay your participation with ASP.

**7  
DAYS**

In the past 7 days, have you exhibited any of the following symptoms (check any that apply):

- |  |   |   |
|--|---|---|
| <input type="checkbox"/> Fever (above 100°F) | <input type="checkbox"/> Nausea/vomiting          | <input type="checkbox"/> Change in appetite |
| <input type="checkbox"/> Fatigue             | <input type="checkbox"/> Change in taste or smell | <input type="checkbox"/> Body aches         |
| <input type="checkbox"/> Sore throat         | <input type="checkbox"/> Shortness of breath      | <input type="checkbox"/> Chills             |
| <input type="checkbox"/> Cough               | <input type="checkbox"/> Diarrhea                 |   |

If you checked **any** of the boxes above, you **MUST** delay your participation with ASP.

## Other Considerations...

For the safety of yourself and others, you may consider delaying participation if you:

- Have recently traveled to “hot spot” areas of the country or have travelled internationally.
- Are unable to comply with your state’s mandates for travel restrictions or quarantine after travel.
- Are in a higher risk category due to age or have pre-existing conditions such as: cardiovascular disease, respiratory disease (including asthma), diabetes, or are immunocompromised.

*ASP recommends but does not currently require COVID-19 testing before participation with ASP.*

*ASP recommends that those in vulnerable populations delay their participation until it is safe to be in public.*

**If you need to delay your trip, please have your Trip Coordinator contact ASP’s Volunteer Department ASAP.**

By volunteering or accepting repairs, you agree to comply with ASP’s COVID-19 Volunteer Hosting Protocols, including mask wearing requirements and daily temperature checks. Visit our website [www.asphome.org](http://www.asphome.org) for more details.

Thank you for your careful consideration of the above factors.

We are grateful for your partnership with us to provide a safe and healthy mission experience for all.
