President’s Message

ASP Family & Friends,

ASP experienced an amazing 2019! I am not saying this because everything went the way we had planned. In fact, the opposite happened. What made the year amazing was seeing how God worked miracles through ASP volunteers and supporters during a difficult and uncertain time. What began as a challenging season allowed God to show the great love and support each of you have for ASP and the families of Central Appalachia.

In August, just after another successful ASP summer had concluded, we faced a financial crisis as a result of an unexpected work stoppage that happened in our flood recovery efforts in West Virginia. As an organization, we were facing financial loss that required us to trim expenses and raise more revenue. It became a matter of prayer and turning to those who believe in this great ministry. As a result, the last quarter of 2019 was nothing short of miraculous, as we finished 2019 with our largest giving year ever. Every day we were surprised by another unexpected blessing. In hindsight, we should have not been so surprised: God has always been there in our time of need and has blessed ASP throughout our history, particularly in difficult times.

As I write this letter, we are once again in a challenging time due to the COVID-19 pandemic. It is my prayer that you stay safe and turn to God during this challenge. God does not always answer our prayers the way we want, but God has promised to be with us always and to give us the strength we need to face whatever comes our way.

Thank you for letting God work through you in miraculous ways!

Walter B. Crouch
President/CEO

Mission, Vision & Guiding Principles

Mission

Appalachia Service Project is a Christian ministry, open to all people, that inspires hope and service through volunteer home repair and replacement in Central Appalachia.

Vision

Appalachia Service Project envisions the eradication of substandard housing in Central Appalachia and the transformation of everyone who comes in contact with this ministry.

Guiding Principles

We believe that each person is a child of God imbued with dignity and worth.

We accept people right where they are and just the way they are.

We believe that all people should be able to live in affordable, safe, and sanitary housing.

We are committed to witness through the good quality of our work and careful stewardship of our resources.

We believe God calls people to serve others as volunteer partners in ministry and we will encourage their growth in faith as they answer this call.

Where ASP is involved in local communities we will encourage, affirm, and support the fair and just treatment of people.

We believe in ministering in the spirit of love, acceptance, and hopefulness.

“There’s a lot of people out here that need a lot of help. Thank God for the ASP volunteers. They don’t have to do this, but they do it because it’s right. I love what they’ve done for my home. It’s beautiful. Thank you. I never could have done this. God did this.” — Brooke, Lawrence County

Home Repairs Change Lives

Since 1969, ASP volunteers have been making homes warmer, safer and drier for families in need in Central Appalachia and providing life transforming experiences for everyone involved. Families experience dramatic improvements in their living conditions which not only impact their health and wellness, but also their quality of life. As happened recently, when a child tells us “now my friends can come over” we understand that our repairs go beyond what we can do with hammers and nails.

Washington/Sullivan Counties (Tri-Cities), TN:
11 new homes completed

ASP committed to long-term recovery efforts in flood-affected counties in West Virginia. To date, 74 families have received brand new homes. Another 25 families received home repairs.

ASP built 24 new homes to complete our long-term fire recovery efforts in Sevier County, Tennessee. The majority of the devastation occurred in the Gatlinburg area, with some damage in Pigeon Forge and Sevierville as well.

ASP has committed to building new homes in Tennessee for residents living in substandard housing conditions.

“I just consider it an honor and a privilege to be considered. I have been homeless three times since I’ve been out of the military, and I’ve had the grace of God [through] numerous people that have stepped up to see that I have a roof over my head. Thanks to the grace of God and his blessing and ASP and all of the very kind and generous staff, I’m getting a new home.”

- Bill, Washington County, TN

New Build & Disaster Recovery

Through ASP’s New Build programs, you are lifting up families living in poverty and providing them with the gift of a new home. ASP is able to build these homes using a combination of grants, private gifts from friends like you and volunteer labor. And when homes in Central Appalachia are devastated by flash floods, raging fires or other natural disasters, friends like you allow ASP to make long-term commitments to serve families in need. From home repairs to brand new construction, you assist in rebuilding entire communities, one home at a time.

In Gratitude for You

Faithful supporters and volunteers, you are the heart of Appalachia Service Project’s ministry. You are agents of peace and acceptance, seeing Christ in the eyes of the families we serve. Treating each with dignity, care and love through your tireless efforts and service.

The Bible teaches that giving and sharing are the ways of God. By opening your heart to families in Central Appalachia, you follow in Christ’s footsteps—mirroring His actions with an outpouring of love.

In the following pages, with our deepest gratitude, we acknowledge essential and valued partners of this ministry who’ve been faithful to His command to put love into action by helping our neighbors in need.

Be the Peace. Seek God’s peace where it may be found—within ourselves, within our communities, within our world. Be agents of peace wherever we go.

2019 Partners

Gracious ministry partners made ASP’s work possible in 2019. Thank you for making homes warmer, safer and drier and transforming lives!

$25,000 +

Two girls in a van pulled up and asked if I needed help. It was like God sent them. ASP is like family, like angels who have been sent to me. They’ve got a special place in my heart. It was so cold in my house; our vegetable oil froze. Now it’s actually warm. This year was the warmest it’s ever been, after the siding was on and the roof was on. Thank you from the bottom of my heart for everything you did for me and my children. I just want to see my kids graduate and go to college. I want them to be happy. I’m getting excited for winter. It’s going to be warm.”
